

# Laparoscopic Training Bursaries 2014

The **ALSGBI** is awarding 10 generously funded Stryker Training Bursaries for a value of approximately £1,000 to be awarded in August 2014.

The purpose of these awards is to enable specialist registrars to extend their training in minimal access surgery by attending either the Core or Intermediate Skills in Laparoscopic Surgery Courses, held at *The Royal College of Surgeons of England* in the prestigious *Raven Department of Education*.

Please note the award does not cover travel or accommodation expenses.

In order to be considered for one of the 10 Stryker Training Bursaries, candidates should initially email [jtreglohan@alsgbi.org](mailto:jtreglohan@alsgbi.org) to request an application form. The completed form must be returned to **Mr Simon Dexter, Honorary Secretary of the Association of Laparoscopic Surgeons of Great Britain and Ireland, at The Royal College of Surgeons of England, Room 505, 5th Floor, 35-43 Lincoln's Inn Fields, London WC2A 3PE**, detailing why the Stryker Training Bursary would be beneficial.

A full list of the course dates can be downloaded from [www.rcseng.ac.uk](http://www.rcseng.ac.uk) (visit the education section and search using the term laparoscopic skills).

**The deadline for receipt of applications is Friday 25 July 2014.**

The successful applicants will be expected to produce a brief report of their course for publication in the ALSGBI Newsletter

**For further enquiries please contact:**
