

## **RCS Education Bursary**

The College is committed to high quality surgical education and offers this bursary in order to promote accessibility to specialty skills training.

The bursary will provide up to £1,000 towards the course fees of an RCS Education course held at The Royal College of Surgeons of England. The range of [courses](#) includes:

- [Advanced Arthroscopic Knee](#)
- [Advanced Skills in Breast Disease Management](#)
- [Advanced Skills in Vascular Surgery](#)
- [Amputations](#)

### **Eligibility criteria**

The award is open to Members and Fellows of the Royal College of Surgeons of England who are ST5 level or above and hold a national training number, or be working as an SAS doctor or post-CCT fellow.

### **Judging criteria**

- Accurate completion of the application form
- Evidence that the course will contribute to their learning objectives for the academic year and will contribute substantially to the furtherance of their career
- Academic achievements
- Commitment to education or educational activities
- Response to question

Closing date for applications is **Wednesday 17th December 2014**

Further details and application form are available on the College website:
